

Computer/Electronics Collection for America Recycles Day in Partnership with Monroe County and Habitat for Humanity ReStore

November 9, 2007

Contact: Jamie Dean – Monroe County Health Dept – www.co.monroe.mi.us, 734-240-7909,
Kirstin Doyle – Habitat for Humanity ReStore, 734-243-1108, 840 LaPlaisance Road, Monroe,
MI 48161, Hours: Mon – Sat 9am-5pm

Get involved in computer recycling and celebrate America Recycles Day! Monroe County and Habitat for Humanity ReStore have partnered with Classic Computer Recovery, Inc. to host a drop off location in Monroe, MI. This site will allow residents the opportunity to dispose of their computer electronics in an environmentally friendly manner. Typically there is no charge for this service. Electronic equipment, especially computers, printers and monitors quickly become outdated. Consequently, many of these items end up in landfills. While this type of electronic equipment is not banned from landfills, the components often contain materials that are hazardous to human health. For this reason, Monroe County/ Habitat for Humanity ReStore and CCR encourage residents to properly dispose of electronic waste at this collection facility.

For more information regarding this collection facility, please contact Kirstin Doyle at the above number. For more information about CCR's other collection facilities in the State of IL or MI or for a school pick up, please contact Laura Charnota at 734-732-1784 or <Email Laura>.
